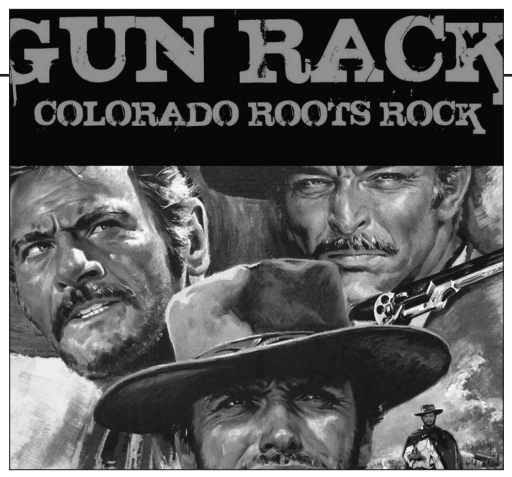
SOUND board

BRUCE HAYES

Friday, November 6, Blackstock Bistro, 9 p.m.

Bruce Hayes plays Rhythm & Celtgrass music, a fusion of musical styles that combines acoustic and electric instrumentation with elements of Rock, Bluegrass, Celtic, and R&B music. Collaborating with The String Cheese Incident and Acoustic Junction, Hayes helped define the acoustic jam band sound. He continues this tradition performing original songs and arrangements on Mandolin, Guitar, Dobro, foot board and his latest creation, the Stratobassto. Singer, songwriter, multi-instrumentalist, record producer, recording engineer, one man band -Bruce Hayes does it all. The forty-something entertainer has been a professional musician since high school and his experience shows.



GUN RACK

Friday, November 6, The Eldo, 10 p.m.

Born and raised in Crested Butte, there is Gun Rack: a roots rock, greasy blues power trio. Gun Rack's live set is a strong mix of originals and covers played with volume and passion. Gun Rack is Danny "Coach" Hartigan on guitar, Chase "Manager Pay" Rockwell on drums and Johnny M. on bass. Everybody sings just like they learned in church.
